Dolphin M 600

Superior pool cleaning made even easier

Maximum cleaning performance with minimum effort and hassle

The all-new Maytronics Dolphin M 600 robotic pool cleaner makes it super-easy to look after your swimming pool, keeping it clean and ready for fun, with minimum effort and hassle.

It is newly designed for maximum cleaning performance, convenient handling and simple operation that needs no intervention from you and it is cloud-connected, so you've always got control right in your hand, no matter where you are.
